

Illinois Right To Life Action

March 17, 2026, Illinois General Primary Election Information

Candidates have been surveyed and rated by Illinois Right To Life Action (IRLA) with respect to pro-life issues (abortion, assisted suicide, embryonic stem cell research and related issues). This was done through **websites, surveys, public statements, and/or previous and current voting records**. The ratings are to the left of the listing and represent the following:

- 1 = Fully Pro-Life
- 2 = Not in full support of all Pro-Life issues
- * = An asterisk indicates incumbent.
- 3 = Will not support most Pro-life issues
- 4 = Totally opposed to Pro-Life issues
- # = Rape and/or Incest Exception

W = Withdrawn

U = Unknown (Did not complete a survey, or a current survey, or we do not have enough information to enable IRLA to rate properly.)

X = Does not have a Pro-Life position, but we do not have enough information to enable IRLA to give a number rating.

If you would like further information, call Illinois Right To Life Action at 312/392-0384. You may also send an email to: jerry@IllinoisRightToLife.org. **This list does not constitute support or endorsement by Illinois Right To Life Action and cannot be used to advance the candidacy of any individual.** Every effort has been made to ensure the accuracy of this information. We regret any errors.

To vote in a Primary Election, a voter must choose the ballot for only one party.

In the following list an "**(R)**" indicates the Republican Party and a "**(D)**" indicates the Democrat Party. We encourage copying this information for distribution. When formulating information for your own area please keep districts intact. IRLA cannot allow altering by adding or deleting an individual candidate or candidates or a change in rating without permission.

Candidates are listed in alphabetical order within rating groups without any preference to individual candidates or parties.

When choosing a Republican ballot select from the candidates with a **red (R)** behind their name.
When choosing a Democratic ballot select from the candidates with a **blue (D)** behind their name.

THIS SHEET MAY BE TAKEN INTO THE VOTING BOOTH.
